DAILY COURTER. WEDNISHAY MURNING. - - NOV. 4, 186-

treet, Boston, are our ac to for the East, and
By authorized to tract for advertising

o'clock this morning the pavement and a douation of one treet in front of the Con make office were filled with crowds eager for the news. As ten be it was received it was complenously posted and each one

in the windows, but, with the exception of the big majority in our own city, the figures we were compelled to display were not all calculat I to gratify our Hemo-cratte fri do or clicit their enthusians. Before twalve o'clock Grant's election, by a Batt To-Night There to to be a g a crowd began to disperse Many, however, 1 red in the hopes of getting

Plaindealer will be able to explain what has become of that tremendous laraclite of Lieut. Dick Priest, who called

THE VOTE OF KENTUCKY.

Probable Majority 75,000. Kentucky would roll up a tremeudous majori-ty for Seymour and Blair, very naturally pre-vented the casti of as full a vote as should have been given, especially in the sparsely populated counties and in those where there were no Radicals. Natwitartanding this, the returns indicate that although the Radicals have under the alimulus of the recent Northcrn elections increased their rote to an aggre-gate of a me 40,000 in the entire State, yat the majority for Seymour will reach nearly or quite to 75,000 -a proud vote even for old Kon-Rai

We publish this morning a communica-tion from Col. Ward, in which he speaks of mak as ech in the upper part of the city Monday ni ht. Of conne en conduct was outrageou., d we have no desire to pulliste or ex. It; but we are informed that it was the wirk of a half dozen men who had too dn ged in to a less ester i here than in any city in the West during t is co test. The Democratic party disay we say responsibility for the action referred to of Monday night.

Radical Jolification.

The L498 Radicals of this city (nearly all of land R. Usz, of Bartholomew county, and Missiant R. Usz, of Bartholomew county, were recently united in matrimony at Waterloo. in expectancy) in 1 at Beek's Hall last night. They had excellent arrangements to receive the news, and, as it came to suit them exactly, of course they jullified extensively. They cheered lu tily as t e return were announced certain y that Gra t and Colfax (the latter of the Louisville and Nambville Raitroad, and old time correspondent of the Louisville and necured.

the negroes and their infamous allies, bus Island of Epain; it would have and protection of their duty and voted for Seymour and Blair Virginia, Mississippi and Texas would unquestionably have done likewise had they been increased them. The service of the servi

CEDNESHAY MURNING, . - - NOV. 4, 1868.

The Day After the Election.
The agony is over The day of election has come and gone, and we are very much ple are be repetly very the fraid, as we have long anticipated would jects of the be the case, the result is against us

eut di p a la reerats have made a noble fight. They had everything to contend against but ht A > 1 to 1 to 1 to 1 to 1 ened patriotism. The prejudice of section a people it is to be a partial to the was against them. Nearly four years have We were users to the spirit to form elapsed since the final reverberation of the mated the met of a rewall vollast gun of the war was heard, but still, who they il lared the it is in omehow, the masses of the Northern peo- ent of the ny her c - 'y, a - pl- | lee pole cannot get it out of their heads that the status of the war still remains. The "heir five the Radical leaders, with a cold and calc latered the state of the sta ing cunning worthy of Mephristopheles avery the constantly wrote ht sipon par lot 11 get 1 11 and projudice to maintain their access the first transfer to the Presidential election which has just ned over. Unhapply, they have tound or proper he Northern mind in the layorald at we are

must have succeeded in spile of the uniter of the Calab state of feeling produced by the have in the transfer of the think war had not misrepresents ion and take- thy aid w morted to for the deception of the people | w lay o u u u le the w cople of the horth were told that the re- 8 14 ion still existed in the hearts of the of labella a the labella a were fabricated and retailed every- Cu a life view by Nor Gen. Grant had said, before he took it let the territory of the States lately in rebellion were, with a tered to a large of a great unanimity, d'posed to accept the kira mulique ustion in good taith, and to do every View with the terms of the Armen estoration of their several States, not nial ps on he there to tass the amiliating to them as men and der southern people were utterly hostile to the Anna it is an all all the tall the latter, I followers sedulously instilled in the minds of North this the unit of unit kin era people by Radical pol'ician, was le- from 1 - 1 1 1 1 1 de else than a great Kuklux Klan-a nest tional i , ou oct t f bloody rebels and unmitigated traitors, in full affiliation with the Democratic school, from the all the brand in arty. The Northern people were educa sufficient reed to the bellef that if the Radical party result la feilure. The exaled to the left ere not sustained in its policy and Grant filtene gouth ler world not the and Colfax elected, all the objects, and I racite the floor the apparent was fought, would be attained it is issue What American there was a of alsohood and deception should have within him at the real of the heroic Nor is this all. The Radical party had for the coance of it when command of money and patron. Greece was strives to shak off the Mus-

ringly were they used. After a party result provalled lusivery part of the Lab has been in possession of the Government to I State , and three train of clofices during two Presidential terms, it is quare were waked in or naexceedingly difficult to oust it. It becomes thought capital by the there that as hard to shake off as Simbad found the rivaled the telephone of Old Man of the Sea. Now, the Radical the renowned Ath ian orators. What rty, in the election which has just trans- Kossuth and his hold Magas truck for a grabired, had not only the immense patronage the freedom of llum = 17, if admiration of the public offices to back it, but their heroism and and and a whates for their It was sustained by the bonded aristocracy success could have made their undertaking sed to secure a Radical triumph; the Gov. And Ireland too-where is the true Amerinent employes were universally and can whose profounded sympathics have cavily assessed for that purpose, and the not been profoundly en ted in every freal adholders bled freely for the attainment attempt of the sons of lirin to break the of the same, and because they knew very chains with which if glood has bonn that well that was their only way of retaining unhappy oou try? Thus it has ever been well, from these causes, and such as a freign pair le an ated by the appril of freedom to make au cort by inheir unjust and ruinous privileges. these, we fear, as we have said, it must be dependence have had our ad siration for admitted that the election has gone against their herol in a dorl t wishe for the But let the Democracy be of good success. And so al would I now be art. The world was not made in a day with these Cuba revol lo however We have not obtained the redemption of desperate their cause, were they worthy of e country from the curse of Radical such li . But they are not thu To the Educar of the Louisville this time, but we have shown worthy. The remotive are not those of hat ours is a powerful, compact and de-crmined organization. If a minority, the dom, the of they have in view is my emocratic party is such a mineral as the grether then the we we do he coul respect of its adversa- try who had a tell a they produce to ries. It is such a minority as will be cu- fighting for e revolutionary designs of our opponents; the Cuban revolution has been or un-

age for election earing purposes, and most I a yoke f me tlt and your the

and, organized as the Democratic party is charitable, we have easy to do not set out to principle and patriotiem, we have to the basis up which the monout in the end of the perfect restoration | C ban revietion in the opinion of all ent. It is related ri t-thi ki m ; t ' e f the first of a celebrated here and patriot that, as he reclined upon a writched couch in a miscrable public house after the let of saveral defeats in the effort to restore ludpendence to his country, his wit dim was attracted to a spider that was endeavorin to fasten lie web upon a beam above him light times the attempt failed, and the shoulder thread was broken, but on the him becomes crowned the effort, and the web upon a necessfully fastened. The letter of the attract of th warrior was encouraged by this simple in has been l has been l in the cident to enter upon yet another struggle of his t for his country's rigists, and that this time Governs 1 () and man I with incomplete and glorious victory crowned his - tio n 1 his the course proper for them to pursue from 11 w 1 m red = 1 this instructive lesson, were their cause far be n that more desperate than It is, but they need II of he ng whit i en, to 1 - ia il v 1 - 1 not. From the period of the reorganiza beru of the intra latel race 10tion of the party it has constantly gained groce. The Cuban reve tionicis, the n power and strength, and it take ucities are nothing better il tor a prophet nor the son of a prophet to see a all their ser t an liber recrethat it will utimately rule in the land.
